

# Philippine Sugar Corporation

## **CORPORATE SOCIAL RESPONSIBILITY STATEMENT**

In the conduct of our business, we at Philsucor are mindful of our share in the socio-economic development of our country particularly in the Sugar Industry, which provides direct employment in sugar producing provinces.

Philsucor continues its pursuit of formulating and implementing policies that will further assist the industry. In addition to our primary functions, we have extended loans to sugarcane planters through their associations/federations/cooperatives for sugar-related requirements/purposes such as bulk purchases of fertilizers to aid farmers reduce and stabilize its cost, rehabilitation of farms in the aftermath of natural disasters as well as to sugar mills for their need of additional capital and improvement of facilities for co-generation activities.

Philsucor also extends specific training and skill development programmes to its employees to develop their potential, improve their skills and expand their knowledge. Likewise, a healthy office environment is maintained so employees can work comfortably and safely.

Above all, Philsucor is committed to conduct its business with utmost degree of transparency, professionalism, accountability, efficiency and fairness; and be governed by ethical and competent Board and Management who shall all observe, abide by, and implement the principles of good corporate governance in operating and managing the affairs and resources of the company.
